Gynaecology, urology and
proctology

GYNAECOLOGY CHAIR N

Model: **GYN // GYN-EX**

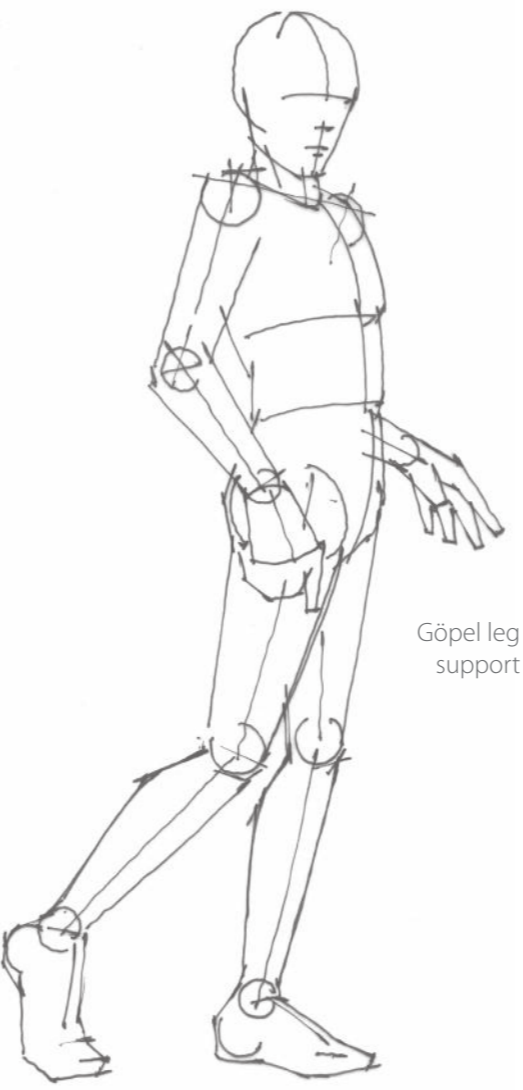

"DUO" leg rests are perfect for vaginal examinations as well as abdominal examinations with legs extended without additional chair adjustments.

individually lockable castors to move at short distance (Ø 75 mm)

"DUO" leg rests

Adjusting the chair is quick and simple, therefore you have MORE TIME FOR PATIENTS. WITH ONLY ONE BUTTON, you can QUICKLY ADJUST the chair into lower position for patient's access and into position for examination. By adjusting the height and back section, you can fully customize the chair to serve your needs even better

Gynaecology chairs and tables are distinguished by THICK SEAMLESS PADDING, which offers comfortable positioning during examination. There are more than 30 different colors available among selection of top quality water- and fire-resistant imitation leather, which is easily CLEANED.

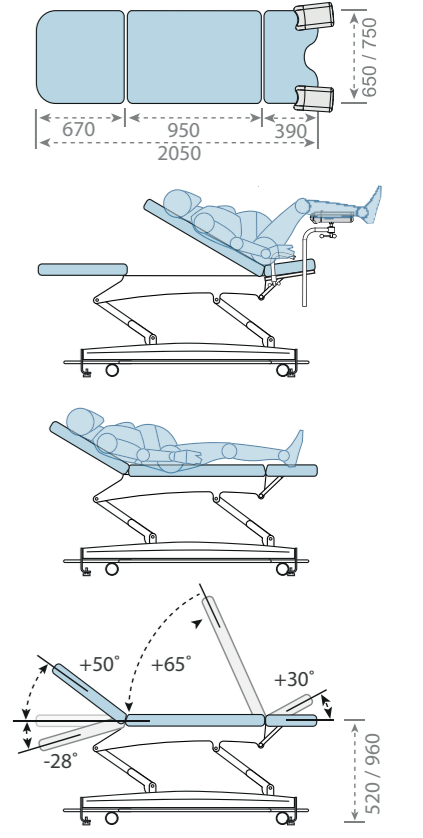

Gynaecological examination table S is a 3-section table for general, gynaecological, urological and proctological examinations. SIMPLE USE and INNOVATIVE SOLUTIONS shorten the time to prepare for exams. CAREFULLY DESIGNED ESSENTIAL FEATURES allow professionals to PERFORM WORK WITH EASE and FREE ACCESS to patients from all sides of the table.

soft 6 cm (optional 8 cm) thick padding for maximum patient comfort

high quality biocompatible imitation leather

seamless and fully sealed
